OUR SERVICES

DOOR SUPERVISION

Whether your venue is a small bar or a large nightclub, our aim is to meet your individual needs. At Marc-One Security, we strive to provide you with the right personnel for your venue. We are confident the staff we provide will become a valuable member of your team.

We believe in maintaining regular teams and staff as we understand the importance of having consistency within your venue.

All door staff are required by law to hold a valid SIA license. If you are caught working or acting as a door supervisor without a valid license in a licensed premises, you could be facing up to six months imprisonment and a £5,000 fine. This can also apply to the premises that are knowingly allowing the unlicensed person to work as a door supervisor.

At Marc-One Security, all our staff are checked by The Criminal Records Bureau, vetted to British Standards 7960, and hold a valid SIA License.

OUR SERVICES

MAN GUARDING

No matter what your security requirements are, Marc-one Security will find a solution to your needs.

Our Security staff can be tailored to meet your individual requirements. Whether it is for a formal corporate event, where you may require our guards to be dressed in black suits or a construction site where you may want a more informal look. All of our guarding staff are vetted to British Standard 7960 and hold a valid SIA license. However should you require a higher level of vetting to be carried out then this is also possible.

All of our guards can be equipped with GPS trackers which enables us to track and log their movements at any time. This gives you, the customer, the peace of mind that your patrols are always carried out.

OUR SERVICES

EVENT SECURITY

Our Event Security Division provides security services and professional personnel to a comprehensive variety of shows, concerts and crowd gatherings including, Music/Dance Festivals, Air Shows, Motor Shows, Exhibitions, Football matches, Boxing shows, and many more.

Each and every event may require risk assessments to be carried out by us or it might be the case that we liaise with our client's health & safety representative. Any concerns raised during this risk assessment process are discussed with organisers, promoters, emergency services, and local authorities during planning stages. This will allow us to provide the relevant staffing levels to meet our client's needs.

We understand that from our part flexibility is the key, as our clients' requirements may alter.

OUR SERVICES

Our dog teams are trained to search people, vehicles and buildings to safeguard your business premises, festival or event.

Static Security Dogs

The static dog units are an extremely high visual deterrent and can cut down on the manpower needed in static guarding alone. Our GP security dogs are trained in article tracking, building searches, find and locate and handler protection, making us the unbeatable team on any assignment.

Detection Dogs

Drug Detection: The highly trained drug detection dogs can be used for either passive or proactive assignments.

Other Specialist Dogs

Marc-one can also provide other specially trained dogs specific for your assignments including Personal Protection, Rescue, Tobacco, Firearms, Cash, Illegal Immigrants and Cadaver.

Mobile Response Unit

Once an alarm is activated we deploy a fully trained dog unit immediately. On arrival the dog unit will complete a full perimeter search and if a dog locks onto the scent of an intruder there really is nowhere to hide.

Alarm response

Our mobile patrols are fully equipped for all eventualities. And will deal with all local authorities and boarding companies if required.

Key holding

Our key holding services are tailored to each customer as they require. Also we offer key holding escort service for them nights were your staff may work late into the night and require that little bit of save and secure feelings when leaving your premises.

Vacant property inspections

We at Marc-one. Know and understand the issues of having vacant properties. So to keep them costs down. we can do daily, weekly or monthly inspections with tailored requirements to suit your needs.

TESTIMONIALS

SIX PIERS LTD.

“We have used Marc-One Security for many years for the supply of Door Staff, Night Security and Day Security. They carry out the diverse roles to a highly professional standard. They have forged strong links with the local authorities keeping our customers and our businesses safe and secure. A service unparalleled by anyone else”

Christos Stylianou

General Manager (Eastbourne Pier)

DOVER ATHLETIC FOOTBALL CLUB

“I have used Marc-One security services for response stewards and security staff for the past 2 seasons at Dover Athletic Football club and I have been extremely pleased with their services and professional capabilities that really do go beyond expectations. I find the personnel provided by Marc-One to be punctual, smart and motivated I will most certainly be using them for future events and would not hesitate in recommending their services to anyone.”

John Heath

Health and Safety Officer

ST. GEORGES C OF E FOUNDATION SCHOOL

“Marc-One security has provided security at St Georges C of E Foundation School since April 2010. Staff has always been totally reliable, well presented and acted in a professional manner. We would not have any hesitation in recommending this company.”

TESTIMONIALS

KENT COUNTY CRICKET GROUND

“We used the services of Marc-one security for our last season at Kent county cricket ground and we will definitely be using them again for any future security requirements at the ground. On our India match they not only supplied a large number of security with short notice but they also deployed a close protection team that protected & looked after the interests of the India cricket team. They provided a vehicle escort for the India cricket team from their hotel to our grounds & then once on our grounds they worked with the India cricket teams head of security to ensure their safety for the duration of the match. I have no hesitation in recommending Marc-One security Services to any other event organiser.”

Health & Safety Officer

THORLEY TAVERNS LTD.

“We use approximately twenty five Door Supervisors at our 30 venues on any given weekend evening. Marcus Redwood has worked with our Company and for me personally for over 25 years. In 1990, he started his own Door Agency and we have used his Company ever since. Marc-One are thoroughly professional with their attitude, approach and execution of the job.”

Philip Thorley

Operations Manager

J. ELLIS CONSTRUCTION

“Whenever I have needed a Man guarding Security service for my construction sites I have used Marc-One Security. I have always found them to be smart, professional and punctual. But above all of this the staff employed by Marc-One Security where always very capable of performing their role as a Security guard and very capable of protecting my sites. I have no hesitation in recommending their services to anyone.”
